### The Discovery of King Tut at the San Diego Natural History Museum – San Diego

The Discovery of King Tut recreates the awe and marvels of the moment of discovery – enter an overwhelming treasure trove, discover new worlds and new wonders, learn about and study the treasures – it's an experience for all the senses. Using state-of-the-art technology, the exhibition recreates a piece of the fascinating, bygone exotic empire on the Nile. The tomb and treasures of Tutankhamun have been faithfully reconstructed to scale, giving visitors a realistic impression of the overwhelming opulence of the offerings meant to serve the king on his magical journey into the Underworld. Because the original artifacts are no longer allowed to leave Egypt, the exhibition showcases more than 1,000 replicas of the tomb that have been reconstructed by master Egyptian craftsmen using traditional techniques, and can be admired at the exhibition. State-of-the-art multimedia technology provides exhibit goers information and a vivid illustration of the culture and spiritual world of the ancient Egyptians – their cult of the dead, deities, dynasties, and mysterious hieroglyphic script. As part of the experience, every visitor will enjoy a fully-immersive audio tour. A box lunch (sandwich, chips, fruit, & a cookie) is included.
